Updating Your PCEHR Certificates

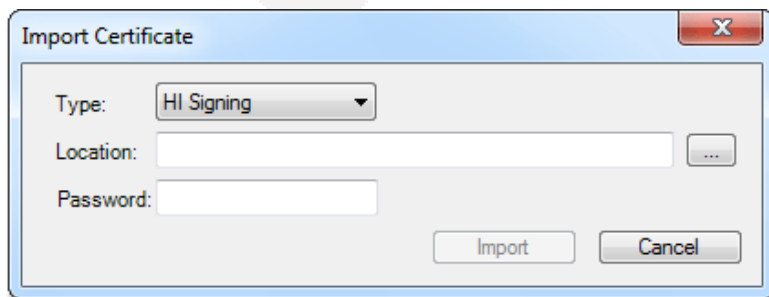

These instructions need only be performed on one computer.

Before You Begin

You will need your PCEHR Certificate. Save it to a location you will remember. You will need to access this location shortly.

Installing the PCEHR Certificate

1. Within MedicalDirector Clinical select **Tools > Options**.
2. Within the Options window, select the **PKI** tab.
3. Click . The **Import Certificate** window appears.

4. Via the **Type** drop-down list, select the **PCEHR** Certificate option.
5. Click  to locate the PCEHR Certificate. You will be returned to the Import Certificate window.
6. Enter the password for the PCEHR Certificate.
7. Click , and then  on the Options window.
